In no event shall **GWWD** be responsible for the cost of labor or installation for either the original or replacement parts or for any other incidental costs related thereto. This limited warranty applies to the product under normal use and service.

Door Components:

GWWD warrants for a period of five (5) years all door components; this includes hinges, rollers, and locking hardware. All hardware must be maintained (cleaned and oiled) periodically to prevent hardware malfunction. **GWWD** has the right to make any changes to its components and provide a replacement for broken components only. **See Exclusions**

toluene, acetone, will void the warranty. For cleaning, use only mild, non-abrasive detergents with a soft bristle or nylon brush. **See Exclusions**
